

ADDRESS UPDATE

The most difficult task we have is locating our classmates because of name and address changes. Please be sure to inform us of any changes so that we can keep our records current. Add our website www.BRHS66.org to your favorites, so you will always keep us updated.

We are trying to cut down on mailing costs and paper as much as possible. Please forward your valid/accurate e-mail addresses, and that of any classmates with whom you are in contact.

Please keep the form below for possible future use.

Thank you,
The Reunion Committee
